Dear Ms Whitham

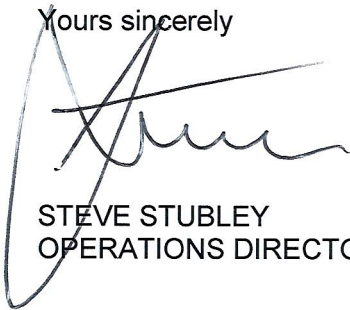

ISO 9001: 2008 Registration

I am writing to extend our congratulations to yourself and your staff on your recent successful Stage 2 audit by ISOQAR on 4 September 2012.

As you are aware, our auditor did not raise any non-conformances on this audit. This is a superb achievement on an initial audit and one of which you and your staff should be justifiably proud.

Congratulations once again.

Yours sincerely

OPERATIONS DIRECTOR
