Dear Bill,

I hope you are well.

I am more than happy to provide a copy of our logo and a testimonial for you.

Please see below:

Bill managed our initial registration to ISO9001 and our subsequent upgrade to ISO9001:2015. Bill made the whole process straightforward, without any drama at all. Bill got to grips with how we operate very quickly and developed a system that has served us well for many years.

Yours sincerely

Tony Ghagan
